ABOUT US

At **Sachin Gadekar & Associates**, we have positioned ourselves as a trusted and competitive service provider in the areas of Startup Registration, Taxation, and Intellectual Property Management. Our comprehensive range of services includes accounting, auditing, tax planning, and ITR filing, along with expert assistance in obtaining essential licenses and registrations for enterprises. We specialize in the registration of trademarks, copyrights, patents, and designs, as well as ISO certification services. Backed by a highly skilled and dedicated team, we are committed to achieving excellence in every aspect of our services, ensuring that our clients receive tailored solutions that support their growth and compliance needs.

Our Vision

“To become the first trusted choice amongst our client for startups and businesses and empowering them by providing complete solutions for their business growth and development”

Our Mission

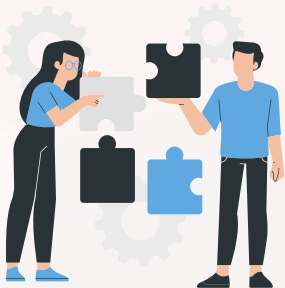

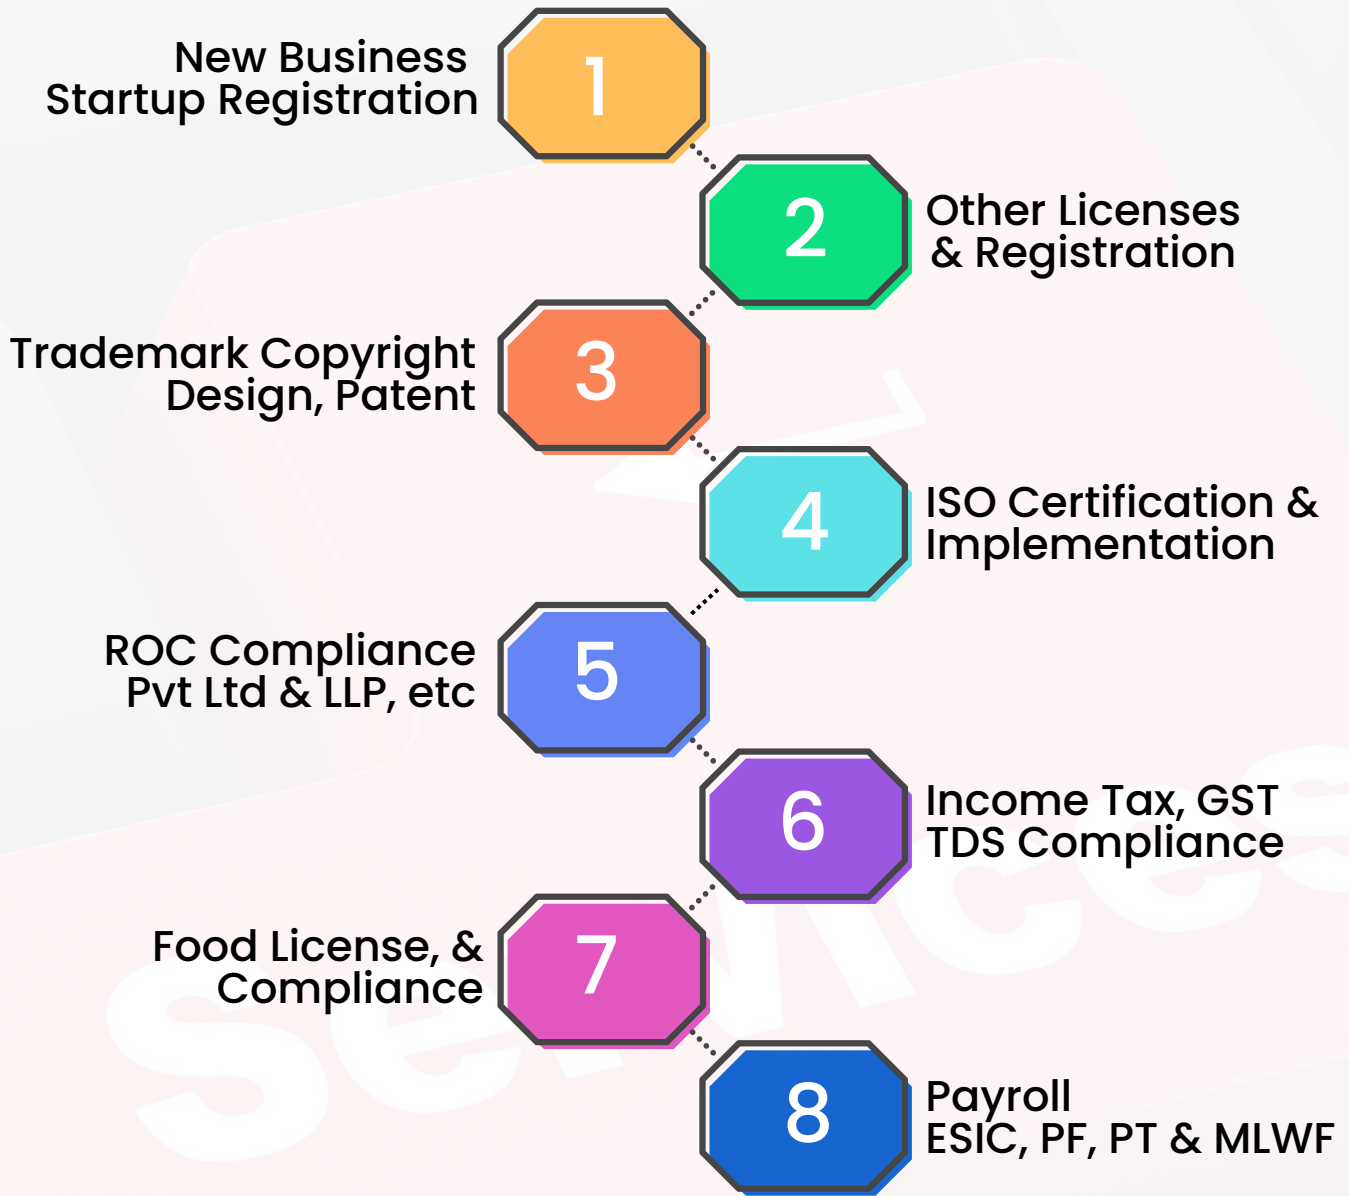

“To provide exceptional services in startup registration, taxation, and intellectual property management, delivering tailored solutions that drive client success and satisfaction”

Our Advantage

“We offer a unique blend of expertise across multiple domains, a client-centric approach, a commitment to quality, proactive solutions, strong team collaboration, and comprehensive services, positioning us as the one-stop solution for businesses at every stage of growth”
